

America's **Digital Defender**

Presents

An inspirational journey to discover the Life Work that "Makes your Heart Sing"

Mission Possible!

America's **Digital Defender** facilitates an inspirational voyage to finding and answering your true Call in life!

Using life stories and actual examples from his own life journey; over 30 years experience in a roller-coaster multi-careered joyride as a photographer, animal trainer, lithographer, marketing director, game show casting director, speaker, technologist and network security scientist, Mike Lattimore gives powerful insights into finding and following the "Path that has a Heart" for you!

Mike Lattimore is an inspirational speaker, life purpose coach and technology guru. His love of people brings a dynamic energy to his workshops as he lives his Intention to helping others connect to their true life purpose.

How will this experience make a difference in your life?

- **Uncover what's blocking your YES in life!**
- **Re-Discover your true Heart Path !**
- **Create the life of your dreams - doing what you love to day-and getting PAID!**

"Within you is a Dream. The reason you were given it, is because you are the One to live it. Start living it NOW!" Mike Lattimore, RScP.

Customized Presentations
