

TRAINING DYNAMICS NETWORK
promotes training based on an
experiential learning model.

Through participation in games and exercises youth participants make discoveries about their leadership abilities. TDN shows participants how to remove learning "blocks," which stand in the way of success. Youths will literally see life and relationships in a different way.

PARTNERSHIPS

Training Dynamics Network (TDN) is comprised of partnerships with coordinators, trainers and members affiliated with the following organizations:

- Toastmasters International*
- America Digital Defender*
- Apple Seeds Across America*

"Move through the blocks that are preventing more success, and create the results you want!"

Brian Klemmer, CEO, Klemmer & Associates

Training tomorrow's leaders . . . today!

TRAINING DYNAMICS NETWORK (TDN) is a network organization offering training solutions that "make a difference." We deliver quality, premier services that give young people the edge in life through exceptional workshops in Leadership and Communications. TDN coordinators are committed to developing youths into leaders who are capable of succeeding in life.

Youth Leadership Program

The Youth Leadership Program (YLP) is a course in the arts of communication and leadership, giving youths the important ability to succeed in school and everyday life activities. They will learn speaking and leadership skills they will use for the rest of their lives.

How YLP Works

Youths learn quicker when they experience and practice being a leader. Each YLP session is actually lead and conducted by the participants, as they interactively participate in a variety of communication activities.

YLP is an eight (8) week course, which meets once a week. Each session meets for 2 hours and presents new learning opportunities where youths will discover an assortment of skills in:

LEADERSHIP DEVELOPMENT

- Team Building Skills
- Panel Discussions
- Chairmanship Skills

PUBLIC SPEAKING

- Prepare and Deliver Speeches
- Impromptu Speaking
- Listening and Evaluating Skills
- Voice and Vocabulary Skills

We Can Make The Difference !

TDN conducts development training that motivates youths to perform more effectively as students, team members and future leaders.

Through interactive group exercises, speeches and discussions, youth participants experience significant increases in:

- Being a better speaker
- Being more creative and committed
- Being more focused in school
- Establishing self-confidence
- Becoming a better leader
- Overcoming nervousness when speaking
- Communicating more effectively
- Improving relationships in life
- Liking themselves more and understanding people better

Youth Leadership Program (YLP), Tailored to Meet YOUR Needs

Each YLP course includes a workbook and course material for each youth participant.

Coordinators and facilitators are trained to achieve significant professional results.

TDN customizes all training, workshops and material to meet the specific needs of any organization.
