

# A Brief Biography

Michael Lattimore R.Sc.P., is an IT Specialist/Engineer and company spokesperson for one of the world's largest utility companies where he is also responsible for provision of intrusion prevention and detection systems

An author and cyber-security consultant, his professional background also includes multi-careered stints as a marketing director, professional photographer, game show casting coordinator, video producer and entrepreneur.

Rapidly gaining national acclaim as *America's Digital Defender*, Mike is a Microsoft Certified Professional and an active member of the National Speakers Association. He innovated the Edison AVERT (Anti-Vulnerability Emergency Response Team) and helped formulate the company's anti-virus emergency response strategies and anti-virus information website.

In 1999, Michael competed in the International World Championship of Public Speaking. He is currently active in the International Speakers Network and the Edison Expressions Speakers Bureau and coaches new speakers

Michael is a recent graduate of the Los Angeles Chamber of Commerce sponsored Leadership LA project, a licensed spiritual practitioner, and has been involved in community volunteerism since he was 10 years old in Chicago, Illinois. Today, he is an advocate for numerous nonprofit organizations who build and support community technology access centers, distribute computer equipment to underserved youth and train personnel for careers in Information Technologies. He is former Vice President of the Board of Directors for the Grandview Foundation, conducts Career Clinics and delivers motivational speeches for local rehabilitation centers and homeless youth outreach organizations throughout Southern California.

His recent audiences have included the National Urban Leagues Young Professionals and the International Association of Administrative Professionals.

He has appeared as a guest on KJLH Frontpage radio, LIBradio and KPAS-56 and been featured in the Pasadena Star-News and Freedom Journal.

Mike Lattimore, *America's Digital Defender* is also being featured in the recently released Volume 4 of the "Mission Possible" book series alongside such notables as Jack Canfield, Brian Tracy, and Olympic Gold medalist Bruce Jenner.
